## **The Single Life** Liz Wood

Meet Lauren Wilt, Chicago's newest hot thirty-something. She's making a splash Carrie Bradshaw-style with a sex column in the *Chicago Gazette* that has singles in the city craving more.

Meet Lauren Gard, the fifty-something writer once loved by the literati, dealing with an empty nest, a new life alone and a tangle of leaky pipes.

And no one can know they're one and the same.

So when readers clamor to see their relationship diva in the flesh, Lauren and her friends must perpetrate some fancy sleight of hand à la Cyrano de Bergerac to keep the paper from finding out the truth...and they find out being single requires a lot of solidarity!

### From reader reviews:

#### Chris Barrentine:

Why don't make it to be your habit? Right now, try to ready your time to do the important behave, like looking for your favorite e-book and reading a publication. Beside you can solve your problem; you can add your knowledge by the publication entitled The Single Life. Try to face the book The Single Life as your buddy. It means that it can to get your friend when you feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know every little thing by the book. So , let me make new experience along with knowledge with this book.

#### Charles Buffington:

What do you think about book? It is just for students because they're still students or the item for all people in the world, what the best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book The Single Life. All type of book could you see on many resources. You can look for the internet methods or other social media.

#### Kimberly Martin:

What do you about book? It is not important along? Or just adding material when you need something to explain what the one you have problem? How about your time? Or are you busy person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question mainly because just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this particular The Single Life to read.

#### Ronald Ruggles:

The event that you get from The Single Life could be the more deep you rooting the information that hide into the words the more you get interested in reading it. It doesn't mean that this book is hard to be aware of but The Single Life giving you excitement feeling of reading. The article writer conveys their point in certain way that can be understood simply by anyone who read this because the author of this e-book is well-known enough. This book also makes your own vocabulary increase well. So it is easy to understand then can go together with you, both in printed or e-book style are available. We advise you for having that The Single Life instantly.
