When Hanley Helton discovers a boy living in her garage, she knows she should kick him out. But Nate is too charming to be dangerous. He just needs a place to get away, which Hanley understands. Her own escape methods-vodka, black hair dye, and pretending the past didn't happen-are more traditional, but who is she to judge? Nate doesn't tell her why he's in her garage, and she doesn't tell him what she's running from. Soon, Hanley s trading her late-night escapades for all-night conversations and stolen kisses. But when Nate s recognized as the missing teen from the news, Hanley isn't sure which is worse: that she's harboring a fugitive, or that she's in love with one."
